

EPOXY RESIN OCEAN BOWL CARE

instructions

Hand Wash Only: Clean the bowl with mild soap and warm water. No dishwasher.

Regular Oil Treatment: To maintain the wood's natural beauty, apply food-safe oil periodically to the outside.

Avoid Harsh Chemicals: Do not use bleach or abrasive cleaners, as they can harm the finish.

Do Not Microwave: Avoid placing in the microwave or oven/

Avoid Extreme Temperatures: Keep away from hot surfaces or direct sunlight for extended periods.

Avoid Scratching: Use utensils that won't scratch the surface to maintain the integrity of the epoxy and the wood.
